

Complaints handling guide

About this guide

This guide is designed to assist you in accessing our dispute resolution procedures if you wish to make a complaint about the products we provide or the service you have received (including the complaints handling process itself).

Indirect investors such as investors in an administration or wrap platform also have access to our dispute resolution process. If you are an indirect investor, please contact us using the details provided below.

What is a complaint?

A complaint is defined as an expression of dissatisfaction made to an organisation, related to its products or services, or the complaints handling process itself, where a response or resolution is explicitly or implicitly expected.

How we handle complaints

If you are dissatisfied with one of our funds, products or services, then consider the following:

1. **Lodging a complaint**—depending on the nature of your complaint, you can make your complaint by telephone or in writing to us, as follows:

Address: Level 17, 644 Chapel Street, South Yarra, Victoria

Telephone: (03) 9820 3344

Email: info@newmarkcapital.com.au

To help us assess your complaint and address your concerns, we request you:

- a) provide us with all the information you consider to be relevant to your complaint, including a detailed description of the financial service or product the subject of your complaint (including any reference numbers, if applicable), the names of any of our employees involved and any relevant dates
- b) think about the questions you would like us to answer
- c) tell us what you consider would be a reasonable response/outcome to the complaint, and
- d) gather and provide us with all of the supporting documentation relevant to the complaint.

In assessing your complaint, we may request further information from you.

2. **How complaints are handled**—We will acknowledge your complaint immediately, or if that is not possible, as soon as possible, after receipt. We will make every effort to provide you with a final response to your complaint within 45 days of the acknowledgement of the complaint. A final response will include an outcome of your complaint, an offer of redress (if appropriate), and any further rights you have (as outlined below). If resolution of the complaint is not possible within 45 days, then we will give you an update on the status of your complaint, reasons for the delay and your further rights regarding your complaint, as outlined below.

We will otherwise keep you informed of the progress of your complaint. You may contact us at any time during the complaints handling process (using any of the above contact details) to enquire about the status or progress of your complaint.
