  - (d) The forfeiture of Units under this clause 6 includes forfeiture of all distributions and other money payable to the Unit Holder relating to the forfeited Units not actually paid to the Unit Holder before the forfeiture (except to the extent to which such amounts have already been applied to reduce the Call amount under clause 6.7).
  - (e) Unless the Trustee determines otherwise, the rights attaching to forfeited Units which have not yet been sold or otherwise disposed of are suspended for the period from the date of the forfeiture to the date of sale or disposal.
  - (f) Subject to clause 6.11, a Unit Holder whose Units have been forfeited under this clause ceases to be a Unit Holder in respect of the forfeited Units from the date the Trustee gives a notice under clause 6.8(b).

#### **6.9 Entry on Register**

Where any Unit has been forfeited in accordance with this clause, the Trustee will enter the forfeiture and the date of forfeiture in the Register.

#### **6.10 Disposal of forfeited Units**

Subject to the Corporations Act and any applicable ASIC Exemption (where the Trust is a Registered Scheme), the Trustee may sell or otherwise dispose of a forfeited Unit in the manner and at such prices as the Trustee determines, including on the basis that the purchaser of such forfeited Units is not obliged to pay any unpaid Call in respect of that Unit.

#### **6.11 Cancellation of Forfeiture**

At any time before a forfeited Unit is sold or otherwise disposed of:

- (a) the Trustee may cancel the forfeiture upon such conditions as it determines; and
- (b) if the Unit Holder pays to the Trustee the full amount of all unpaid Calls (including accrued interest and all costs and expenses incurred by the Trustee in relation to the unpaid Call), the forfeiture must be cancelled.

#### **6.12 Transfer of forfeited Units**

- (a) The Trustee may, on any sale of forfeited Units, receive the selling price in respect of those Units and effect a transfer of those Units in the name of the Unit Holder whose Units have been sold. The Unit Holder authorises the Trustee to take these steps and appoints the Trustee as its agent and attorney to do so. The Unit Holder indemnifies the Trustee against any claim or liability incurred by the Trustee in doing so.
- (b) Upon effecting a transfer under clause 6.12(a), the Trustee shall register the transferee as the holder of the Units in the Register. The transferee's title to the Units will not be affected by any irregularity or invalidity in connection with the forfeiture or sale of the Units.

---

### **6.13 Remaining liability**

Despite the forfeiture of Units pursuant to clause 6.8, the Unit Holder whose Unit has been forfeited remains liable to pay to the Trustee the amounts listed in clauses 6.16(a)(i) to 6.16(a)(iv). That liability ceases if and when the Trustee receives payment in full of those amounts and amounts owing by that Unit Holder.

### **6.14 Lien**

Subject to the Corporations Act, the Trustee has a first and paramount lien upon every Unit for unpaid Calls and other moneys payable to the Trustee by a Unit Holder. That lien extends to all distributions and other money payable in relation to a Unit from time to time.

### **6.15 Sale of Units to enforce lien**

For the purposes of enforcing a lien, the Trustee may sell the Units subject to the lien, in accordance with this clause 6 as if the Units had been forfeited for non-payment of a Call.

### **6.16 Proceeds of sale**

- (a) The net proceeds of any sale of forfeited Units to enforce a lien (including all distribution and other money from time to time payable to the Unit Holder in relation to those Units) must be applied by the Trustee in the following order:
  - (i) in payment of all costs which have been or will be incurred in relation to the forfeiture or enforcement of the lien (as the case may be) and the sale;
  - (ii) in payment of the amount of the unpaid Call;
  - (iii) in payment of the:
    - (A) unpaid portion of the Application Price in respect of the forfeited Unit;
    - (B) Uncalled Commitment of an Applicant;
  - (iv) in payment of the amount of any accrued interest on the Call and any other moneys payable to the Trustee; and
  - (v) in payment of the surplus (if any) to the Unit Holder whose Units have been sold.
- (b) If the net proceeds of any sale are insufficient to pay the amounts in clauses 6.16(a)(i) to 6.16(a)(iv), the Unit Holder whose Units have been sold remains liable for the difference between the net proceeds of sale and the sum of those amounts.

### **6.17 Joint Holders**

- (a) Joint holders of Partly Paid Units are jointly and severally liable for all amounts due on the Partly Paid Units held by them.
- (b) Joint Applicants in respect of a Commitment are jointly and severally liable for all amounts due in respect of a Commitment.

---

## 6.18 Termination

Upon termination of the Trust an Applicant has no liability to subscribe for Units except to the extent of Calls made prior to the termination.

## 6.19 Actions not limited

For the avoidance of doubt, nothing in this clause 6 limits an action, remedy or right that the Trustee may take or pursue at law (whether pursuant to a breach of this Trust Deed, any contract or otherwise) in order to enforce the non payment of a Call.

# 7 Application Price

## 7.1 Application Price

- (a) The Application Price for the initial issue of Units is \$1.00 plus any relevant Transaction Charge.
- (b) At any other time, but subject to clause 7.1(c) and the rights, obligations and restrictions attaching to any particular Units or Class, the Application Price for a Unit shall be:
  - (i) while Units are Officially Quoted, subject to paragraphs (ii), (iii), (iv) and (v), equal to the Market Price of the Units or, where Stapling applies, the Market Price of the Stapled Securities minus the application price of each Attached Security or the amount determined by the Trustee in accordance with clause 7.7 during the 10 ASX Business Days immediately prior to the date upon which the Application Price is to be calculated;
  - (ii) in the case of a rights issue while Units are Officially Quoted, in accordance with clause 7.4;
  - (iii) in the case of a placement or other issue of Units while Units are Officially Quoted, in accordance with clause 7.5;
  - (iv) in the case of a reinvestment of income while Units are Officially Quoted, in accordance with clause 7.6;
  - (v) in the case of Units issued on the exercise of an Option calculated in accordance with the terms and conditions of that Option;
  - (vi) in any other case - calculated as:

$$AP = \frac{A+B+C}{D+E}$$

Where:

AP is the Application Price;

A is the Net Asset Value;

B is any relevant Transaction Charge;

- 
- C is the Acquisition Cost Adjustment;
  - D is the number of Fully Paid Units on issue; and
  - E is Partly Paid Proportion.

For the purposes of the formula in clause 7.1(b), where there is more than one Class on issue, 'Net Asset Value', 'Acquisition Cost Adjustment', 'Transaction Charge' and the 'number of Units on issue' are variables determined by the Trustee in respect of the relevant Class in accordance with clause 4.5.

Each of the variables in clause 7.1(b) must be determined, subject to the other provisions of this clause 7:

- (i) as at the first Valuation Time after the later of the day on which the Trustee:
  - (A) receives the completed application for Units; or
  - (B) receives the application money or the property against which the Units are to be issued is vested in the Trustee; or
- (ii) in the case of a Unit issued under a distribution reinvestment plan, the first Business Day of the next Distribution Period following the Distribution Period in respect of which the Distribution Entitlement was calculated.
- (c) The Trustee may determine a different Application Price in relation to some Units, a Class or all Units provided that where the Trust is a Registered Scheme it is permitted to do so by the Corporations Act and any applicable ASIC Exemption and in such case, subject to the terms of that ASIC Exemption (or, where the Trust is not a Registered Scheme, subject to applying the Corporations Act and any relevant ASIC Exemption with appropriate modifications as if the Trustee were a responsible entity and the Trust were a Registered Scheme).

## **7.2 Receipt of an application**

For the purposes of clause 7.1(b), the day and time of receipt of an application for Units is:

- (a) the time of actual receipt if the application is received before the Prescribed Time on a Business Day;
- (b) the time of deemed receipt if the application is deemed to be received before the Prescribed Time on a Business Day; or
- (c) the commencement of business on the next following Business Day if the application is received or is deemed to be received on a day which is not a Business Day or received on or after the Prescribed Time on a Business Day.

## **7.3 Initial Public Offering**

- (a) The Trustee may at any time issue Units to any person under an Initial Public Offering or to effect Stapling at a price and on terms determined by it provided that:
  - (i) the Trustee complies with any Listing Rules applicable to the issue and any applicable ASIC Exemption;

- 
- (ii) while Stapling applies, the same persons are at the same time offered identical numbers of Attached Securities which will be Stapled to the Units offered; and
  - (iii) at an Issue Price which is not less than 90% of the Net Asset Value per Unit.
- (b) While Stapling applies an offer of Units under this clause 7.3 may only be accepted if the offeree at the same time accepts that offer of Units and the offer of Attached Securities referred to above.

#### 7.4 Rights issues

The following provisions apply to rights issues:

- (a) while Units are Officially Quoted, the Trustee may (subject to the terms of any applicable ASIC Exemption) offer further Units for subscription at a price determined by the Trustee to those persons who were holders of Units on a date determined by the Trustee not being more than 30 days immediately prior to the date of the offer, provided that:
  - (i) all holders of Units are offered Units at the same Application Price on a *pari passu* basis (whether or not the right of entitlement is renounceable);
  - (ii) all the Units so offered are in the same Class; and
  - (iii) where it is proposed to issue Units at an Application Price less than the price which would otherwise apply under clause 7.1(b), the relevant Application Price is not less than 50% of:
    - (A) that price which would otherwise apply to the Units; or
    - (B) where Stapling applies, the Market Price of Stapled Securities minus the application price of each Attached Security (as determined under clause 7.7),

but, subject to the Listing Rules, the Trustee is not required to offer Units under this clause to persons whose address on the Register is in a place other than Australia and New Zealand.

- (b) The Trustee may adjust any entitlement to accord with the Listing Rules and in the case of fractions, the Trustee must offer the next higher whole number of Units. Any Unit Holder holding Units may, unless the terms of issue provide otherwise, renounce its entitlement in favour of some other person.
- (c) Any Units offered under this clause 7.4 which are not subscribed for within the period during which the offer is capable of acceptance may be offered for subscription by the Trustee to any person, provided that the Application Price is not less than that at which Units were originally offered to Unit Holders. If an underwriter has underwritten any offer for subscription under this clause, the underwriter may take up any Units not subscribed for by the Unit Holders at the Application Price referred to in this clause 7.4(c).
- (d) The Trustee may make a priority offer in respect of any rights issue in accordance with the terms of any ASIC Exemption.

---

While Stapling applies, an offer of Units under this clause 7.4 may only be accepted if the offeree contemporaneously accepts that offer of Units and the offer of Attached Securities referred to in this clause 7.4.

## **7.5 Placements and other issues**

While Units are Officially Quoted, the Trustee may at any time issue Units to any person, whether by way of a placement or otherwise, at a price and on terms determined by it, provided that:

- (a) the Trustee complies with the Listing Rules applicable to the issue and any applicable ASIC Exemption; and
- (b) in the case of Units issued subsequent to the exercise of an Option, the price will be calculated in accordance with the terms and conditions of the Option,

provided that the Trustee complies with the Listing Rules applicable to the issue and the terms of any applicable ASIC Exemption.

While Stapling applies, an offer of Units under this clause 7.5 may only be accepted if the offeree contemporaneously accepts that offer of Units and the offer of Attached Securities referred to in this clause 7.5.

## **7.6 Reinvestment**

- (a) If reinvestment applies while the Units are Officially Quoted, the Application Price for each additional Unit (or the aggregate of the Application Price of each additional Unit and the application price for the Attached Securities if Stapling applies) is the weighted average of all sales of Units (or, while Stapling applies Stapled Securities) recorded on the ASX during the first 5 trading days following the end of the period to which the distribution relates (unless the Trustee believes that this calculation does not provide a fair reflection of the Market Price of the Units or the Stapled Securities during this period in which event there shall be substituted for the amount so calculated the Market Price of the Units or the Stapled Securities as determined by an expert independent of the Trustee whose identity and instructions will be determined by the Trustee) less such discount, if any, not exceeding 10% as the Trustee may determine.
- (b) While Stapling applies the allocation of the application price for a Stapled Security between the Application Price for each Unit and the application price for the Attached Securities is to be determined in accordance with clause 7.7.
- (c) If the amount to be reinvested in additional Stapled Securities results in a fraction of a Unit or Stapled Security the money representing the fraction will be held for future reinvestment in the Trust and, if applicable, the Stapled Entities at the next time that reinvestment is to occur (where Stapling applies in such proportions as the Trustee and the Stapled Entities may determine on behalf of the relevant Stapled Security Holder).

## **7.7 Determination of Application Price where Stapled Securities are issued**

- (a) Where:
  - (i) Stapling applies;

- 
- (ii) as a consequence, a Unit is to be issued as part of a Stapled Security; and
  - (iii) this Trust Deed contains a provision for the calculation or determination of the application price for the Stapled Security but not for the Unit,

the Trustee must determine what part of the application price of a Stapled Security is to represent the Application Price of a Unit for the purposes of this Trust Deed.

- (b) Unless otherwise agreed between the Trustee and:
  - (i) in relation to any Stapled Entity that is a company, the Stapled Entity; and
  - (ii) in relation to any Stapled Entity that is a managed investment scheme, the responsible entity of the Stapled Entity,

the application price of a Stapled Security will be allocated between the Application Price of the Unit and the application price of the Attached Securities in the ratio that the net assets (adjusted for the net market value of their investments) of each of the Trust and each of the Stapled Entities at the end of the relevant period immediately prior to the issue bears to the amount of the aggregate net assets (adjusted for the net market value of their investments) of the Trust and the Stapled Entities at that time.

## **7.8 Issue of Units to acquire an Asset**

Subject to clause 7.8(b), where Units are consideration (in whole or in part) for the acquisition of an investment (on behalf of the Trust):

- (a) the Application Price for those Units must be calculated in accordance with clause 7.1(b)(vi) on the date of the agreement under which there will be an issue of Units; and
- (b) the Trustee may determine a different Application Price in relation to some Units, a Class or all Units provided that where the Trust is a Registered Scheme it is permitted to do so under the Corporations Act and any applicable ASIC Exemption.

## **7.9 Rounding**

The Application Price may be rounded as the Trustee determines.

## **7.10 Satisfaction of Application Price**

The Application Price may be satisfied by payment in cash or by transfer to the Trustee of property acceptable to the Trustee (or by a combination of both). If the Trustee accepts payment other than cash, it may determine that some or all of the costs associated with the valuation or transfer of such property are payable or reimbursable out of the Assets or by the applicant.

# **8 Withdrawal procedures**

## **8.1 While Units are Officially Quoted**

While Units are Officially Quoted, clauses 8.2 to 8.5 do not apply.

---

## **8.2 Right to withdraw**

A Unit Holder has no right to withdraw from the Trust other than:

- (a) where the Trust is not a Registered Scheme, as determined by the Trustee at its absolute discretion and otherwise in accordance with the remainder of this clause 8; or
- (b) where the Trust is a Registered Scheme, in accordance with the remainder of this clause 8.

## **8.3 Withdrawal request**

Subject to this clause 8 and the Corporations Act (where the Trust is a Registered Scheme), a Unit Holder may make a request for the withdrawal of some or all of its Units, or to realise a specified amount, in writing and delivered to the registered office (or other place nominated by the Trustee) and:

- (a) while the Trust is a Registered Scheme and not Liquid, the Trustee must only give effect to that withdrawal request in the circumstances set out in clause 8.5; and
- (b) at any other time, the Trustee may give effect to that request at the time and in the manner set out in clause 8.4, provided that the withdrawal request has been given to the Trustee prior to the Withdrawal Date to which the request relates, unless otherwise agreed by the Trustee.

## **8.4 Withdrawal while Trust is Liquid or not a Registered Scheme**

- (a) This clause 8.4 shall apply in respect of the withdrawal of Units unless clause 8.5 applies.
- (b) By no later than 7 Business Days following the Withdrawal Date immediately after the withdrawal request is received under clause 8.3, the Trustee must consider that request and, in the Trustee's absolute discretion:
  - (i) deny the request and notify the Unit Holder accordingly;
  - (ii) effect the withdrawal request by causing the number (or value) of Units held by the Unit Holder that are subject of the request to be redeemed at the applicable Withdrawal Price out of the Assets within 12 Months of the Withdrawal Date to which the withdrawal request relates;
  - (iii) subject to the Corporations Act, purchase or arrange for another person to purchase the number (or value) of Units held by the Unit Holder that are the subject of the withdrawal request; or
  - (iv) partially effect the withdrawal in the manner described in clause 8.4(b)(ii) and partially purchase Units or arrange for Units to be purchased in the manner described in clause 8.4(b)(iii).
- (c) If the Unit Holder has made a withdrawal request which complies with this Trust Deed and the Trustee accepts the withdrawal request, in part or in full, the Trustee must satisfy the withdrawal request in respect of a Unit by payment from the Assets the Withdrawal Price calculated in accordance with clause 9. The payment

---

must be made within 21 days of the day on which the withdrawal request was effected under clause 8.4(b)(ii).

- (d) Notwithstanding clause 8.4(c), the Trustee may extend the period allowed for satisfying a withdrawal request until a later Withdrawal Date if in the opinion of the Trustee:
  - (i) the Trustee has taken all reasonable steps to realise sufficient Assets to satisfy a withdrawal request and is unable to do so due to one or more circumstances outside its control such as restricted or suspended trading in the market for an Asset;
  - (ii) the Trustee does not consider it to be in the best interests of the Unit Holders as a whole to realise sufficient Assets to satisfy the withdrawal request; or
  - (iii) it is, for any reason, impractical to calculate the Net Asset Value of the Assets, including because of the closure of an exchange or trading or withdrawal restrictions in respect of a security.
- (e) The Trustee may specify a minimum withdrawal amount for the Trust or a Class and vary that amount at its discretion.
- (f) Unless otherwise determined by the Trustee, the Trustee need not give effect to a withdrawal request if:
  - (i) the aggregate Withdrawal Price of the Units to be redeemed is less than any minimum withdrawal amount determined by the Trustee; or
  - (ii) the withdrawal would result in the aggregate Withdrawal Price of the Unit Holder's remaining Unit Holding being less than any minimum holding amount determined by the Trustee under clause 5.2.
- (g) If compliance with a withdrawal request would result in the aggregate Withdrawal Price of a Unit Holder's remaining Unit Holding being less than any minimum holding amount determined by the Trustee under clause 5.2, the Trustee may treat the withdrawal request as relating to the Unit Holder's entire Unit Holding.
- (h) If the Trustee increases the minimum holding amount, the Trustee may, after giving 30 days' notice, redeem the entire Unit Holding of a Unit Holder if the aggregate Withdrawal Price of that Unit Holding is less than the then current minimum holding amount, without the need for a withdrawal request.
- (i) The Trustee may redeem the Unit Holding of a Unit Holder without the need for a withdrawal request after giving 30 days' notice to a Unit Holder who holds Units with an aggregate Withdrawal Price less than the then current minimum holding amount.
- (j) Any balance realised representing a fraction of the proceeds of withdrawal of a Unit will be retained by the Trustee to be added to any further application money received from the Unit Holder or to the proceeds of withdrawal of any other Units of the Unit Holder as the Trustee may determine.

- 
- (k) If the application money for the Units which are the subject of a withdrawal request is paid by cheque, the Trustee may refuse to act on that request until the cheque has cleared.

### **8.5 Withdrawal while Trust is a Registered Scheme and not Liquid**

- (a) This clause 8.5 shall apply when the Trust is a Registered Scheme and not Liquid.
- (b) While the Trust is not Liquid, a Unit Holder may withdraw from the Trust in accordance with the terms of any current Withdrawal Offer made by the Trustee in accordance with Part 5C.6 of the Corporations Act.
- (c) If there is no Withdrawal Offer currently open for acceptance by Unit Holders, a Unit Holder has no right to withdraw from the Trust.
- (d) The Trustee is not at any time obliged to make a Withdrawal Offer.
- (e) If the Trustee receives a withdrawal request before it makes a Withdrawal Offer, it may treat the request as an acceptance of the offer effective as at the time the offer is made.
- (f) The Trustee must ensure that withdrawal requests in response to the Withdrawal Offer are satisfied within 21 days of the Withdrawal Offer closing.

### **8.6 Clauses applicable whether or not the Trust is Liquid**

The following clauses 8.7 to 8.14 are applicable in respect of withdrawals of Units regardless of whether or not the Trust is Liquid.

### **8.7 The Trustee may deny a request for withdrawal**

Subject to the Corporations Act (where the Trust is a Registered Scheme) and clause 8.5 and irrespective of anything in clause 8.4, the Trustee may deny a request for withdrawal of Units where:

- (a) the Trust has been terminated under clause 27;
- (b) accepting the request would constitute a breach of this Trust Deed, the compliance plan, the Corporations Act, or the disclosure document;
- (c) accepting the request would cause the Trust to cease to be Liquid;
- (d) accepting the request would unfairly prejudice another Unit Holder; or
- (e) the Trustee does not consider it to be in the best interests of the Unit Holders as a whole to realise sufficient Assets to satisfy the withdrawal request.

### **8.8 Restrictions on Unit Holder**

- (a) Upon making a withdrawal request under clause 8.3, the Unit Holder will have no right to deal with the Units that are subject of the request (unless and until the request is denied by the Trustee).
- (b) A Unit Holder may not withdraw a withdrawal request unless the Trustee agrees.

---

## **8.9 Trustee discretion to redeem**

Subject to the Corporations Act (where the Trust is a Registered Scheme) and clause 8.5, the Trustee may at any time in its absolute discretion redeem some or all of the Units held by a Unit Holder without being requested to do so at the Withdrawal Price by giving at least 30 days notice to the Unit Holder of its intention to redeem such Units.

## **8.10 No obligation to pay out of own funds**

The Trustee is not obliged to pay any part of the Withdrawal Price out of its own funds.

## **8.11 Sums owed to the Trustee**

Subject to the Corporations Act (where the Trust is a Registered Scheme), the Trustee may deduct from the proceeds of withdrawal or money paid pursuant to a Withdrawal Offer any money due to it by the Unit Holder.

## **8.12 Transfer of Assets**

- (a) The Trustee may transfer Assets to a Unit Holder rather than pay cash in satisfaction of all or part of the aggregate Withdrawal Price due to Unit Holder pursuant to a withdrawal request or acceptance of a Withdrawal Offer.
- (b) Assets transferred to a Unit Holder under clause 8.12(a) together with any cash paid must be of equal value to the total amount due to the Unit Holder pursuant to the withdrawal request or Withdrawal Offer (based on a valuation of the Assets which is consistent with the range of ordinary commercial practice for valuing assets of that type and be reasonably current). If the Trustee requires, the reasonable costs involved in transfer of these Assets must be paid by the Unit Holder or deducted from the amount due to the Unit Holder.
- (c) The Trustee may direct an amount arising from the sale of an Asset to a particular Unit Holder, who shall be taken to have a present entitlement in that amount, if the Unit Holder withdraws one or more of their Units and the direction is made to fund the withdrawal request.

## **8.13 Order of withdrawal**

Unless the Trustee determines otherwise, the first Units issued to a Unit Holder are the first to be redeemed.

## **8.14 Liquid or not Liquid**

The Trustee will determine whether the Scheme is Liquid. Such a determination is binding on Unit Holders and no Unit Holder will challenge it.

## **8.15 Determination of income and capital**

Unless the Trustee otherwise determines, the proceeds of withdrawal paid to a Unit Holder will comprise of capital only. Subject to the law, the Trustee may however determine at its absolute discretion that the proceeds of withdrawal comprises part capital and part income of the Trust in the Financial Year in which the withdrawal occurs.

---

## 8.16 Cooling off

Where the Trust is a Registered Scheme, nothing in this clause 8 prevents the Trustee from complying with any requirement to return application money to Unit Holders in accordance with Part 7.9 of the Corporations Act or with any similar requirement that applies to the trustee of the Trust.

## 8.17 Buy-back of Units

While the Trust is Listed the Trustee may, subject to and in accordance with the Corporations Act (including any modifications thereof) and any requirements under the Listing Rules purchase Units and cause the Units to be cancelled. No redemption price is payable upon cancellation of the Units. Where the Units comprise part of Stapled Securities the Trustee may only buy back and cancel the Units if the Attached Securities are also the subject of contemporaneous buy-back and cancellation. Where Units are purchased as part of a Stapled Security pursuant to a buy-back arrangement, the Trustee must determine what proportion of the price paid for the Stapled Security is to be paid from the Assets of the Trust on the same basis as set out in clause 7.7 for the Application Price of Units.

## 8.18 Withdrawal while Stapling applies

While Stapling applies the Trustee may not withdraw a Unit unless each Stapled Entity also redeems or buys back and cancels the corresponding Attached Securities or the Attached Securities are unstapled from the Unit to be withdrawn.

# 9 Withdrawal Price of Units

## 9.1 Withdrawal Price

A Unit must only be redeemed at a Withdrawal Price calculated in accordance with the following formula:

$$WP = (A / B) \times (C / D)$$

Where:

WP is the Withdrawal Price;

A is Net Asset Value less any relevant Transaction Charge plus the Acquisition Cost Adjustment;

B is the number of Fully Paid Units on issue plus the Partly Paid Proportion;

C is the amount paid up on that Unit; and

D is the Application Price of that Unit.

For the purposes of the above formula, where there is more than one Class on issue, 'Net Asset Value', 'Transaction Charge', 'Acquisition Cost Adjustment' and the 'number of Units on issue' are variables determined by the Trustee in respect of the relevant Class in accordance with clause 4.5.

---

## **9.2 Determination of Withdrawal Price**

Each of the variables in clause 9.1 must be determined:

- (a) while the Trust is a Registered Scheme and not Liquid, as at the day on which the Withdrawal Offer closes; and
- (b) at any other time, as at:
  - (i) the next Withdrawal Date after the Trustee received (or is taken to have received) a withdrawal request; or
  - (ii) where the period allowed for withdrawal has been extended pursuant to clause 8.4(d), the Withdrawal Date on which the withdrawal request is processed.

## **9.3 Receipt of withdrawal request**

The Trustee may determine that a withdrawal request received by the Trustee after a particular time will be deemed to have been received on the next Business Day.

## **9.4 Rounding**

The Withdrawal Price may be rounded as the Trustee determines.

# **10 Transfers**

## **10.1 Transferability while interests are not Officially Quoted**

- (a) Clauses 10.1 to 10.3 apply to Units or Options that are not Officially Quoted.
- (b) Unit Holders may not transfer or assign their interest in the Trust other than with the prior written consent of the Trustee.
- (c) A transfer of Units is not effective until it has been recorded in the Register.
- (d) All transfers of Units will be effected by an instrument of transfer in writing in a form and in a manner approved by the Trustee provided that, where the Trust is a Registered Scheme, the form of transfer must not be prohibited by the Corporations Act.
- (e) The Trustee may refuse to register a transfer (whether voluntarily or by operation of law) of Units without being bound to provide any reason for any refusal.
- (f) A transferor of Units remains the holder of the Units until the transfer is registered and the name of the transferee is entered in the Register in respect of those Units.
- (g) The Trustee may charge Unit Holders a fee to cover administrative costs involved in registering a transfer of Units.
- (h) The Trustee may require a transferee of Units to execute a Transferee Subscription Agreement before allowing the transfer of Units to the transferee.

- 
- (i) The Trustee may make distributions payable under clause 13 in respect of a Unit for a Distribution Period to a transferor and transferee in proportion to the number of days in the Distribution Period that each held the Unit.

## **10.2 Refusal to register a transfer**

Without limiting the generality of clause 10.1, subject to the Corporations Act (where the Trust is a Registered Scheme), the Trustee may refuse to register any transfer of Units without being bound to provide a reason for such refusal and the Trustee may refuse to register a transfer of Units if:

- (a) the Trustee is not satisfied that the transferee has the financial resources and intention to pay all:
  - (i) unpaid amounts in respect of Partly Paid Units; and
  - (ii) Uncalled Commitments;
- (b) the transferee has not undertaken:
  - (i) to pay the unpaid amounts in respect of Partly Paid Units; and
  - (ii) a Commitment,in a form acceptable to the Trustee;
- (c) the transferee is not a Wholesale Client;
- (d) the Trustee would or may be required to prepare a product disclosure statement in respect of the transfer of the Units; or
- (e) the transfer is required to be, but is not, duly stamped.

## **10.3 Registration of transfers**

- (a) Unless the Trustee determines otherwise, where Units are transferred, the following documents must be lodged for registration with the Trustee:
  - (i) a proper instrument of transfer (duly stamped if relevant);
  - (ii) the certificate (if any) for the Units; and
  - (iii) any other information that the Trustee may require to establish the transferor's right to transfer the Units.
- (b) The Trustee may charge Unit Holders a fee to cover administrative costs involved in registering a transfer of Units.

## **10.4 Transfer of Units if Officially Quoted**

Despite anything else set out in this clause 10, if the Units and/or Options are Officially Quoted, those Units and/or Options may be transferred in any manner permitted by the Operating Rules of a CS Facility. The Trustee may require before registration of any such transfer that there be provided to the Trustee any documents which the rules of the uncertificated system require or permit the Trustee to require be provided to it to authorise

---

registration. This clause 10.4 prevails over any other provision of this Trust Deed that may be inconsistent with it but it does not permit the Trustee to refuse to register a proper transfer made in accordance with the Operating Rules of a CS Facility.

## **11 Transmission of Units**

### **11.1 Entitlement on death**

- (a) Subject to clause 11.1(b), if a Unit Holder dies:
- (i) the survivor (or survivors), where the Unit Holder was a joint Unit Holder; and
  - (ii) the legal personal representatives of the deceased, where the Unit Holder was a sole Unit Holder,
- will be the only persons recognised by the Trustee as having any title to the Unit Holder's interest in the Units.
- (b) The Trustee may refuse to recognise any person referred to in clause 11.1(a) or to recognise any claim without providing any reason. The Trustee may require evidence of a Unit Holder's death as it thinks fit.
- (c) This clause 11 does not release:
- (i) the estate of a deceased joint Unit Holder from any liability in respect of a Unit that had been jointly held by the Unit Holder with other persons; or
  - (ii) where the Unit Holder was a sole Unit Holder, the legal personal representative or the trustee of the Unit Holder's estate from any liability in respect of Units held by the deceased Unit Holder.

### **11.2 Registration of persons entitled**

### **11.3 Distributions and other rights**

- (a) If a Unit Holder dies or suffers a legal disability, the Unit Holder's legal personal representative or the trustee of the Unit Holder's estate (as the case may be) is, on the production of all information as is properly required by the Trustee, entitled to the same distributions, entitlements and other advantages and to the same rights (whether in relation to meetings of the Trust or to voting or otherwise) as the Unit Holder would have been entitled to if the Unit Holder had not died or suffered a legal disability.
- (b) Where two or more persons are jointly entitled to any Unit as a result of the death or legal disability of a Unit Holder, they will, for the purposes of this Trust Deed, be taken to be joint Unit Holders of the Unit.

## **12 Valuation of Assets**

### **12.1 Valuation of Assets**

- (a) The Trustee may, at any time, cause the valuation of any Asset and (if the Trust is a Registered Scheme) shall do so as and when required by the Corporations Act.
- (b) The Trustee must cause an Asset to be valued if and when required by ASIC or the Corporations Act and the valuation must be carried out in accordance with those requirements.

### **12.2 Determination of Net Asset Value**

- (a) The Trustee may determine the Net Asset Value at any time including more than once each day.
- (b) The Trustee must determine the Net Asset Value:
  - (i) if and when required by ASIC or the Corporations Act (if the Trust is a Registered Scheme);

  - (iii) on each Withdrawal Date in respect of which a Withdrawal Offer has been made pursuant to clause 8.5 or other day on which Units are withdrawn.

### **12.3 Method of valuation**

- (a) The Trustee may determine valuation methods and policies for each category of Asset and change them from time to time.
- (b) Unless the Trustee decides otherwise, the value of an Asset for the purpose of calculating the Net Asset Value will be its market value. Where the Trustee values an Asset at other than its market value, or where there is no market value, the valuation methods and policies applied by the Trustee must be based on the

---

ordinary commercial practice for valuing the relevant type of asset that is reasonably current at the time of the issue or withdrawal of Units.

### **13.1 Collection of income**

The Trustee shall receive and collect all dividends, interest, rents and all other income of the Trust.

### **13.2 Payment of expenses**

The Trustee may determine whether any receipt, profit, gain (whether realised or unrealised) payment, loss, outgoing, provision or reserve or any sum of money or investment in a Financial Year is or is not to be treated as being on income or capital account and whether and the extent to which any provisions or reserves need to be made for the Financial Year on a fair and reasonable basis to ensure that the Unit Holder pays the tax and not the Trustee.

### **13.4 Trustee must determine Net Income**

The Trustee must determine the Net Income of the Trust for each Financial Year.

### **13.5 Net Income**

If no determination is made or to the extent to which no determination is made under clause 13.4 prior to the end of a Financial Year, then the Net Income for that Financial Year is calculated in the same manner as net income is calculated under Division 6 of Part III of the Tax Act for that Financial Year, assuming that the Division applies to the Trust, provided that where in calculating the net income under the Tax Acts it is necessary to:

- (a) gross up any amount of income (for example tax offsets such as foreign tax credits or franking credits);
- (b) include any amount of deemed assessable income; or
- (c) make any deemed deduction,

then the grossing up or deemed assessable income (excluding net capital gains included in assessable income) or deemed deduction must not be included in calculating the Net Income of the Trust for the Financial Year unless the Trustee determines otherwise before the end of the Financial Year.

---

### 13.6 Present entitlement

- (a) Subject to the rights, restrictions and obligations attaching to any particular Unit or Class, the persons who are Unit Holders at 5 p.m. on the last day of the Financial Year will be presently entitled in the proportions specified in clause 13.7(c) to the Net Income for that Financial Year (less any part of the Net Income which has been previously distributed in that Financial Year in accordance with this clause 13.7(a)) together with any additional amount which the Trustee determines in accordance with clause 13.12 to distribute to Unit Holders in respect of that Financial Year.
- (b) Unit Holders that have been paid, or had applied for their benefit, any part of the Net Income during the Financial Year in accordance with clause 13.7(a) shall be deemed to be presently entitled to the amount paid to them or applied for their benefit.

### 13.7 Distribution of the Net Income

- (a) The Trustee may make an Interim Distribution of the Net Income accruing during any Distribution Period (other than a Distribution Period that is the last Distribution Period in a Financial Year) and taking into account any adjustments required as a result of any direction made by the Trustee under clause 8.12(c). The Interim Distribution cannot exceed, but can be less than, the amount of the Net Income which has accrued during the relevant Financial Year up to the date of the calculation of the Interim Distribution.
- (b) For the last Distribution Period of the Financial Year, the Trustee must distribute the Net Income of the Trust for the Financial Year less any amount previously distributed during the Financial Year pursuant to clause 13.7(a) and taking into account any adjustments required as a result of any direction made by the Trustee under clause 8.12(c).
- (c) Subject to the rights, obligations and restrictions attaching to any particular Unit or a Class, each Unit Holder's Distribution Entitlement for a Financial Year shall be determined in accordance with the following formula:

$$\frac{A \times B}{C}$$

Where:

- A is the amount determined by the Trustee in accordance with clauses 13.4 and 13.5 to be distributable for the relevant Financial Year;
- B is the aggregate of the number of Units held by the Unit Holder at 5.00 p.m. on the Distribution Calculation Date; and
- C is the aggregate of the total number of Units on issue at 5.00 p.m. on the Distribution Calculation Date.

### 13.8 Distribution Entitlement

- (a) The Trustee shall pay to each Unit Holder its Distribution Entitlement for a Financial Year on or before the Distribution Date for that Financial Year.

- 
- (b) The Trustee shall retain from each Unit Holder's Distribution Entitlement all amounts which are necessary to avoid distributing a fraction of a cent or which the Trustee determines it is not practical to distribute on a Distribution Date, with any sum so retained for all purposes treated as income for the next following Financial Year.
  - (c) The Trustee may retain from the amount to be distributed to a Unit Holder an amount in or towards satisfaction of any amount payable by the Unit Holder to the Trustee under this Trust Deed or that is required to be deducted by law.

### **13.9 Separate Trust**

Where any Unit Holder becomes entitled to any Distribution Entitlement pursuant to the foregoing provisions of this clause, that Distribution Entitlement shall not form part of the Assets but shall be held by the Trustee in a separate trust fund on trust for the absolute use and benefit of that Unit Holder and:

- (a) where that Unit Holder is sui juris, with power and capacity to the Trustee pending payment thereof to invest and otherwise deal with, manage and administer the same in the manner and to the same extent as the Trustee may invest and otherwise deal with, manage and administer the Trust; or
- (b) where the Unit Holder is not sui juris, with power to the Trustee pending the Unit Holder becoming sui juris to pay and transfer to or to apply for the benefit of that Unit Holder the whole or such part, if any, as the Trustee deems fit of the Unit Holder's separate trust fund, notwithstanding that the Unit Holder is not sui juris and with like powers and capacities of investments, dealing, management and administration in respect thereof to those which the Trustee has in respect of the Trust itself and, on that Unit Holder becoming sui juris, the Trustee shall forthwith pay and transfer to that Unit Holder such separate trust fund for the Unit Holder's own use and benefit absolutely, but should that Unit Holder while not being sui juris die before payment or transfer of the whole then to the extent to which the Unit Holder's separate trust fund has not been paid or transferred to the Unit Holder or applied for the Unit Holder's benefit at the date of the Unit Holder's death, the same shall notwithstanding anything to the contrary or otherwise in this Trust Deed, be held by the Trustee for the Unit Holder's legal personal representatives and shall go as an accretion to and form part of the Unit Holder's estate.

### **13.10 Minimum distribution**

The Trustee may transfer capital to enable distribution to Unit Holders of the minimum amount necessary to avoid the Trustee as trustee of the Trust being assessable to pay Tax.

### **13.11 Discharge of Trustee's obligation**

It is acknowledged by Unit Holders that payments of the Distribution Entitlements in accordance with clause 13.8 shall be a good and complete discharge of any liability owed by the Trustee to any person in respect of an entitlement to their Distribution Entitlements.

### **13.12 Capital distributions**

The Trustee may, at any time, distribute the capital of the Trust to the Unit Holders. Subject to the rights, obligations and restrictions attaching to any particular Unit or Class, a Unit Holder is entitled to that proportion of the capital to be distributed as is equal to the

---

number of Units held by that Unit Holder on a date determined by the Trustee divided by the number of Units on issue on that date. A distribution under this clause may be in cash or of Assets.

### **13.13 Excess distribution**

If at the end of a Financial Year the auditor or the Trustee of the Trust determines that the amount distributed as the Net Income under this clause 13 exceeds the aggregate of the Net Income for the Financial Year, the excess will be taken to be a distribution of capital.

### **13.14 Categories and source of income**

The Trustee may keep separate accounts of different categories or sources of income, or deductions or credits for tax purposes, and may allocate income, deductions or credits from a particular category or source to particular Unit Holders.

### **13.15 Receipt**

  - (ii) after the Distribution Calculation Date.
- (b) If any amount included in the amounts determined to be distributed in accordance with clauses 13.4 and 13.5 is not subsequently received by the Trustee, the Trustee shall be entitled to recover any amount that has been over distributed. However, the Trustee shall not be bound to pursue that right of recovery. The Trustee may determine that any amount so distributed is to be treated as a distribution of the capital of the Trust. No claim will lie against the Trustee at the suit of any Unit Holder or any other person by reason of that distribution or any resultant loss to the Trust.

### **13.16 Reinvestment**

- (a) A Unit Holder may, if the Trustee approves, elect to reinvest some or all of their Distribution Entitlement by acquiring Units and the amount of the distribution must be applied on behalf of the Unit Holder to acquire additional Units. In those cases, the Trustee is treated as having received an application to reinvest the Unit Holder's Distribution Entitlement on the first Business Day after the distribution is paid at an Application Price determined in accordance with clause 7.
- (b) Subject to the Unit Holder's expressed or implied consent, the Trustee may, at its discretion, reinvest some or all of the Unit Holder's Distribution Entitlement by acquiring Units and that amount of the distribution must be applied on behalf of the Unit Holder to acquire additional Units. In those cases, the Trustee is treated as having received an application to reinvest the Unit Holder's Distribution Entitlement on the first Business Day after the distribution is paid at an Application Price determined in accordance with clause 7.
- (c) The procedure for reinvestment of distributions is to be determined by the Trustee and notified to Unit Holders from time to time.

---

$$A \times B/C$$
where:  
A is the Distribution Entitlement for each Unit Holder in respect of a Financial Year determined under clause 13.7(c);  
B is the number of days from the date of issue of those Units to the end of that period; and  
C is the total number of days in that period;
- (c) Units on terms which do not entitle the Unit Holder to receive a distribution of the Distribution Entitlement in respect of a Financial Year in which such Units are issued; or

## **23 Small Holdings**

### **23.1 Application of this clause**

### **23.2 Trustee's right to sell Small Holdings**

Subject to the provisions of this clause 23, the Trustee may in its discretion from time to time sell or redeem any Units held by a Unit Holder that is a Small Holder without request by the Small Holder.

### **23.3 Divestment Notice**

If the Trustee determines that a Unit Holder is a Small Holder, the Trustee may give notice to the Unit Holder:

- (a) that the Unit Holder is a Small Holder, the number of Units making up and the market value of the Small Holding, the date on which the market value was determined and the Relevant Period;
- (b) that unless the Small Holder tells the Trustee that the Small Holder wishes to retain the Relevant Units before the Relevant Period lapses, the Trustee intends to sell the Relevant Units in accordance with this clause 23 after the end of the Relevant Period specified in the Divestment Notice; and
- (c) after the end of the Relevant Period, if the Small Holder has not informed the Trustee that it wishes to retain the Units making up the Small Holding, the Trustee may for the purpose of selling the Relevant Units that are in a CS Facility holding initiate a holding adjustment to move those Units from that CS Facility holding to an Issuer Sponsored Holding or certificated holding.

If the Operating Rules of a CS Facility apply to the Relevant Units, the Divestment Notice must comply with those Operating Rules.

---

#### **23.4 Relevant Period**

The Relevant Period must be at least six weeks from the date the Divestment Notice was given.

#### **23.5 Limitation on Trustee's right to sell**

The Trustee will not sell or redeem the Relevant Units:

- (a) before the expiry of six weeks from the date of the Divestment Notice; or
- (b) if within the six weeks allowed by clause 23.4:

  - (ii) the market value of the Small Holding held by the Small Holder increases to at least a marketable parcel as provided in the Listing Rules.

#### **23.6 Trustee can sell Relevant Units**

At the end of the Relevant Period, if the Small Holder has not advised the Trustee that the Small Holder wishes to retain the Relevant Units, the Trustee is entitled to sell on-market or in any other way determined by the Trustee the Relevant Units of the Small Holder.

#### **23.7 No obligation to sell**

The Trustee is not bound to sell any Relevant Units which it is entitled to sell under this clause 23 but unless the Relevant Units are sold within 10 weeks after the end of the Relevant Period, the Trustee's right to sell the Relevant Units under the Divestment Notice relating to those Units lapses and it must notify the Unit Holder to whom the Divestment Notice was given accordingly.

#### **23.8 Trustee as Unit Holder's attorney**

To effect the sale and transfer by the Trustee of Relevant Units of a Unit Holder, the Unit Holder appoints the Trustee and each director and secretary of the Trustee jointly and severally as the Unit Holder's attorney in the Unit Holder's name and on the Unit Holder's behalf to do all acts and things which the Trustee considers necessary, desirable or reasonably incidental or appropriate to effect the sale or transfer of the Relevant Units and in particular:

- (a) to initiate a holding adjustment to move the Relevant Units from a CS Facility holding to an Issuer Sponsored Holding or a certificated holding; and
- (b) to execute on behalf of the Unit Holder all deeds, instruments or other documents necessary to transfer the Relevant Units and to deliver any such deeds, instruments or other documents to the purchaser.

#### **23.9 Conclusive evidence**

A statement in writing by or on behalf of the Trustee under this clause 23 is binding on and conclusive against (in the absence of manifest error) a Unit Holder. In particular, a statement that the Relevant Units specified in the statement have been sold in accordance

---

with this clause 23 is conclusive against all persons claiming to be entitled to the Relevant Units and discharges the purchaser from all liability in respect of the Relevant Units.

### **23.10 Registering the purchaser**

The Trustee must register the purchaser of Relevant Units as the holder of the Relevant Units transferred to the purchaser under this clause. The purchaser is not bound to see to the application of any money paid as consideration. The title of the purchaser to the Relevant Units transferred to the purchaser is not affected by any irregularity or invalidity in connection with the actions of the Trustee under this clause 23.

### **23.11 Payment of proceeds**

Subject to clause 23.12, where:

- (a) Relevant Units of a Unit Holder are sold by the Trustee on behalf of the Unit Holder under this clause 23; and
- (b) the certificate for the Relevant Units (unless the Trustee is satisfied that the certificate has been lost or destroyed or the Relevant Units are uncertificated securities) has been received by the Trustee,

the Trustee must, within 60 days of the completion of the sale, send the net proceeds of sale to the Unit Holder entitled to those proceeds by sending a cheque payable to the Unit Holder through the post to the address of the Unit Holder shown in the Register, or in the case of joint holders, to the address shown in the Register as the address of the Unit Holder whose name first appears in the Register. Payment of any money under this clause 23.11 is at the risk of the Unit Holder to whom it is sent.

### **23.12 Costs**

The Trust or the purchaser of the Units making up the Small Holding must pay the costs of the sale as the Trustee decides.

### **23.13 Remedy limited to damages**

The remedy of a Unit Holder to whom this clause 23 applies, in respect of the sale of the Relevant Units of that Unit Holder, is expressly limited to a right of action in damages against the Trustee to the exclusion of any other right, remedy or relief against any other person.

### **23.14 Distributions and voting suspended**

Unless the Trustee determines otherwise, the rights to receive payment of distributions and to vote attached to the Relevant Units of that Unit Holder are suspended until the Relevant Units are transferred to a new holder. Any distributions that would, but for this clause 23.14, have been paid to that Unit Holder must be held by the Trustee and paid to that Unit Holder within 60 days after the earlier of the date the Relevant Units of that Unit Holder are transferred and the date that the Relevant Units of that Unit Holder cease to be subject to a Divestment Notice.

---

### **23.15 12 Month limit**

If it is a requirement of the Listing Rules, the Trustee must not give a Small Holder more than one Divestment Notice in any 12 Month period (except as contemplated by clause 23.16).

### **23.16 Effect of takeover bid**

From the date of the announcement of a takeover bid for the Units until the close of the offers made under the takeover bid, the Trustee's powers under this clause 23 to sell Relevant Units of a Unit Holder cease. After the close of the offers under the takeover bid, the Trustee may give a Divestment Notice to a Unit Holder who is a Small Holder, despite clause 23.15 and the fact that it may be less than 12 Months since the Trustee gave a Divestment Notice to that Unit Holder.

### **23.17 While Stapling applies**

While Stapling applies, no sale under this clause 23 may occur unless, at the same time as Units are sold, an identical number of Attached Securities is also sold.

## **24 Register**

### **24.1 Keeping Register**

- (a) The Trustee shall establish and keep, or cause to be kept, a register of Unit Holders at its registered office.
- (b) Where the Trust is a Registered Scheme the Register must be kept in a form which, to the extent applicable, complies with the requirements of section 169 of the Corporations Act.

### **24.2 Trustee's powers**

Where the Trust is a Registered Scheme, the Trustee has the powers conferred under the Corporations Act in relation to the Register.

### **24.3 Inspection**

The Trustee will make the Register available for inspection without charge to Unit Holders at all times when the Trustee's registered office is open for business to the public.

### **24.4 Changes**

Every Unit Holder shall promptly notify the Trustee of any change of name or address and the Trustee must alter the Register accordingly.

### **24.5 Register conclusive**

Except where this Trust Deed or the law requires otherwise, the Trustee is entitled to treat the registered Unit Holder as absolute owner of the relevant Unit for all purposes. The entry in the Register shall be conclusive except where the Trustee is satisfied of manifest error and the Trustee is not bound to recognise (notwithstanding receipt of any notice,

---

whether actual, implied, imputed or constructive) any equitable, contingent, future or partial interest attaching to any Unit.

## **25 Amendments to this Trust Deed**

### **25.1 Overriding provision**

This clause 25 shall be read subject to clause 26.

### **25.2 Trustee may amend**

Where the Trust is a Registered Scheme, subject to the Corporations Act (and, where the Trust is not a Registered Scheme, subject to applying the Corporations Act and any relevant ASIC Exemption with modifications as if the Trustee were a responsible entity and the Trust were a Registered Scheme) and subject to any other approval that may be required by law, this Trust Deed (including this clause) may be replaced or amended:

- (a) by Special Resolution of the Unit Holders of the Trust; or
- (b) by the Trustee if:
  - (i) the Trustee reasonably considers the change will not adversely affect Unit Holders' rights; or
  - (ii) the Trustee determines (acting reasonably) that this Trust Deed contains an error that requires rectification or a matter which requires clarification.

### **25.3 Compliance with the AMIT Regime**

For the avoidance of doubt, the Trustee may modify this Trust Deed to the extent that the Trustee reasonably considers that the modification is necessary for or incidental to the Trust being able to be operated in a manner permitted by the Tax Act as an AMIT with the Trustee as its trustee and, had the Trust been a Registered Scheme, the Trustee would not be precluded from making that modification.

### **25.4 Statutory requirements**

Clause 25.2 does not apply to provisions deemed by clause 26 to be incorporated into this Trust Deed.

### **25.5 Listing Rules**

While the Units are Officially Quoted:

- (a) notwithstanding anything contained in this Trust Deed, if the Listing Rules prohibit an act being done, the act shall not be done;
- (b) nothing contained in this Trust Deed prevents an act being done that the Listing Rules require to be done;
- (c) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);

- 
- (d) if the Listing Rules require this Trust Deed to contain a provision and it does not contain such a provision, this Trust Deed is deemed to contain that provision;
  - (e) if the Listing Rules require this Trust Deed not to contain a provision and it contains such a provision, this Trust Deed is deemed not to contain that provision; and
  - (f) if any provision of this Trust Deed is or becomes inconsistent with the Listing Rules, this Trust Deed is deemed not to contain that provision to the extent of the inconsistency.

## 25.6 Class Order

In accordance with ASIC Instrument 2017/125 or its equivalent and for so long as it applies to the Trust, a change in the text of this Trust Deed because of the operation of clause 25.5 that is covered by such instrument is not a modification of, or the repeal and replacement of, the Trust Deed for the purposes of sub-sections 601GC(1) and (2) of the Corporations Act.

## 26 Corporations Act and ASIC Exemptions

### 26.1 Corporations Act

Notwithstanding any other provision of this Trust Deed, a provision of this Trust Deed which is expressed to apply subject to the Corporations Act, is only so subject while the Trust is a Registered Scheme (and the provision is to be read accordingly).

### 26.2 Agreed amendments

If any part of this Trust Deed (**Required Part**) is included to comply with the requirements of the Corporations Act or ASIC (**Regulatory Requirement**) and that Regulatory Requirement ceases or changes, the Unit Holders:

- (a) agree that unless the Trustee determines otherwise, this Trust Deed will be automatically amended by removing the Required Part (or amending it to reflect the altered Regulatory Requirement) and authorise the Trustee to make that amendment in a deed made for that purpose (**Regulatory Requirement Amendment**); and
- (b) acknowledge that a Regulatory Requirement Amendment will not adversely affect their rights.

### 26.3 ASIC Exemptions

If relief from the provisions of the Corporations Act granted by an ASIC Exemption requires that this Trust Deed contain certain provisions, then, notwithstanding any amendment to this Trust Deed effected under clause 25, those provisions are taken to be incorporated into this Trust Deed at all times at which they are required to be included and prevail over any other provisions of this Trust Deed to the extent of any inconsistency. However, if the relief is granted by class order (rather than specifically in relation to the Trust) then the ASIC Exemption (and the provisions it requires) will not be taken to be incorporated if the Trustee declares in writing that this is the case. This declaration may be made at any time.

## Schedule 2 - AMIT provisions

### 1 Unit Holders' clearly defined interests

- (a) The provisions that follow (without seeking to be exhaustive) are intended to ensure that the terms of this Trust Deed provide that the rights to income and capital of each Unit held by a Unit Holder in the Trust constitute Clearly Defined Rights.
- (b) To the extent required by the AMIT Regime in order for the Unit Holders to have Clearly Defined Rights:
  - (i) the Trustee may not exercise any right or power, whether it is one provided to the Trustee under this Trust Deed or under any statutory or general law rights or powers of a trustee, which would result in the rights to the income and capital of the Trust arising from each Unit in each relevant AMIT for the Trust to not be clearly defined for the purposes of section 276-10(1)(b) of the Tax Act;
  - (ii) the Trustee must treat Unit Holders who hold Units of the same class equally and Unit Holders who hold Units of a different class fairly, except to the extent that the Trustee directs an amount arising from the sale of an Asset to a particular Unit Holder in the circumstances described in clause 8.12(c); and
  - (iii) in addition to the requirements of clause 25, no amendment can be made to this Trust Deed (including for the avoidance of doubt, the rights attaching to Units of a particular Class issued under clause 4.5 of this Trust Deed) which would or may cause the requirements of this clause to not be met.

### 2 Trustee powers in relation to AMIT Regime

- (a) The Trustee has all of the powers and rights which are necessary and expedient to enable the Trust to comply with and effectively operate as an AMIT for the purposes of the AMIT Regime.
- (b) Without limiting the Trustee's other powers or seeking to be exhaustive, for the purposes of the AMIT Regime, the Trustee has the power to:
  - (i) work out the Trust Component of each applicable character of the Trust, or each Class, for a Financial Year;

  - (v) where the Trust has more than one Class of Units on issue, to make a choice that each Class be treated as a separate AMIT. If the Trustee has made a choice that each Class is to be treated as a separate AMIT for the purposes of the AMIT Regime, only include the relevant income and expenses that relate to that Class in calculating the Trust Components and Determined Trust Components of each Class;
  - (vi) make a determination in relation to and maintain accounts for each of the separate categories of income and/or capital depending on the character of that income and/or capital for the purpose of working out a Trust Component and a Member Component as required under the AMIT Regime;

- (c) Subject to the Corporations Act, the Trustee is not liable to any Unit Holder or former Unit Holder with respect to adjustments it makes to any Trust Component in applying the Unders and Overs Rules provided that the Trustee makes those adjustments in accordance with the AMIT Regime and irrespective of whether any choice made by the Trustee results in a different attribution outcome for the Unit Holder than if the Trustee had not made the choice, or had made the choice in a different way.

### **3 Attribution of trust components**

- (a) The Trustee must attribute all of the Trust Components and Determined Trust Components of:
- (i) the Trust; or
  - (ii) if the Trustee has made a choice that each Class will be treated as a separate AMIT, each Class in the Trust,
- in respect of a Financial Year, to the Unit Holders or former Unit Holders under the AMIT Regime.
- (b) The Trustee undertakes to perform attribution under clause 3(a) in accordance with the following principles:

- 
- (ii) subject to 3(b)(iv), the attribution must be worked out on a fair and reasonable basis, in accordance with this Trust Deed and any other documents that constitute constituent documents for the Trust;

  - (v) if there is more than one Class on issue in the Trust and the Trustee has made a choice that each Class will be treated as a separate AMIT, each Class will be treated as a separate AMIT for the purposes of determining the attribution under clause 3(a) and the Trustee must only attribute Determined Trust Components of a particular Class to Unit Holders of that Class (and not any other Class); and
  - (vi) the Trustee must attribute to each Unit Holder or former Unit Holder, so much of the Determined Trust Components of the Trust or the relevant Class (if relevant) as are reflected in any Distribution Entitlements that the Unit Holder or former Unit Holder has become entitled to during the Financial Year.

  - (ii) the attribution of a Determined Trust Component of a particular AMIT character should reflect that rights and entitlements to income and capital contemplated in the existing Distribution Entitlement provisions under this Trust Deed (including for the avoidance of doubt, the rights attaching to Units of a particular Class issued under clause 4.5 of this Trust Deed) and should not be materially different from those rights and entitlements.

  - (iii) consent to the Trustee becoming a party to any proceedings with the Commissioner of Taxation relating to the Choice.
- (b) The Unit Holder acknowledges that if a Unit Holder makes a Choice it may be necessary or desirable for the Trustee to issue an amended AMMA Statement to deal with the proper attribution of the relevant income or tax attribute amongst the Unit Holders for the purposes of the AMIT Regime.
- (c) The Trustee shall have no liability in respect of any act, matter or thing done or omitted to be done by a Unit Holder in relation to a Choice.
- (d) The Trustee has the right to issue or reissue any AMMA Statement to the Unit Holder or other Unit Holders if a Unit Holder makes a Choice.

## 6 Debt-like AMIT instruments

The Unit Holders and holders of the debt-like AMIT instruments acknowledge that the attribution rules in the AMIT Regime that apply in relation to the attribution of a particular AMIT character do not apply in relation to the holding of a debt-like AMIT instrument.
